Attached is the access agreement, signed by Mayor Mitchell, for the Aerovox property that enables us to implement the Harbor cleanup. Note the requirement for 3 days advance notice to the City prior to going out there. If AVX's contractor is still out there when you need access, we should also let them know of our timing.

I'm copying Max in case he has a more recent access agreement. Although this looks like it was signed in 2017, I believe it is actually a 2 at the end...2012.
